

 TREC Dental's Privacy Statement

TREC Dental maintains the confidentiality and privacy of individuals' personal and health information while collecting, using and disclosing information in compliance with the *Freedom of Information and Protection of Privacy Act* and the *Health Information Act*. TREC Dental supports the right of individuals or their authorized representatives to access and request corrections to their personal and health information, subject to any specific restrictions in applicable legislation.

TREC Dental will not collect, use or disclose personal or health information in any manner that is not in accordance with the *Freedom of Information and Protection of Privacy Act*, the *Health Information Act*, or its established policies.

TREC Dental may disclose personal or health information for approved purposes as authorized by the *Freedom of Information and Protection of Privacy Act* or the *Health Information Act*.

The TREC Dental external web site may collect personal or health information when you voluntarily complete any online application, request form or survey. Personal or health information collected will only be used for the stated purposes. Information is collected pursuant to section 33 of the *Freedom of Information and Protection of Privacy Act* and sections 18–24 of the *Health Information Act*, as applicable.

Any information collected such as the visitor's Internet Protocol address, web browser and pages accessed is used internally by TREC Dental in an aggregate form, to help us manage and improve the content and to diagnose technical problems of our website to better serve you.

If you have questions concerning our privacy policies and practices, please contact our Privacy Officer at (587) 356-0761, or email privacy@trecedental.com, or in writing:
